James Edward "Porch Dog" Dunnington
May 23, 1942-October 1, 2014

It is with great sadness that Ed "Porch Dog" Dunnington, one of our favorite Kings River Regulators passed away suddenly on October 1, 2014. Services for Porch Dog were held on October 10th in Clovis at New Hope Community Church. The service began with a video clip of the beginning scene from Porch Dog's favorite TV show Gunsmoke, very fitting for a great Cowboy Action Shooter. Wildcat John spoke during the service about Porch Dog, his friend of 46 years, telling stories on him and sharing some memories with us. Wildcat John also created a leather shield for Porch Dog's wife Janice and family, that all of the cowboy shooters in attendance signed. The service ended with Porch Dog given Military Honors by the California State Honor Guard Team. Porch Dog will be greatly missed at monthly and annual shoots for years to come.

Match Director****Kaweah Kid****From the Mayor - Sierra Rider**

If you missed September's match, you also missed a lot of fun. The Match Directors were Tex Wayland and Tucson Smith and they wrote a Looney Toons type of match. We had to put a rubber chicken in a pot, carry a rabbit to each shooting position, ride a stick horse, and wear a sombrero and replace it with your own hat among other things.

For this match, we were also missing Pocket Change and Ruthless Ray who are our School Marm and Sheriff. Great Speckled Body did an excellent job with the registration on Saturday and B. Haven Badly and Tex Wayland did the registration and scoring on Sunday and did a great job. We also need to thank Big Bad Blaine who volunteered to pull the target trailer. The only hiccup was I did not get the water and ice replenished on Sunday so getting cool water was a little difficult. That never happens when Ruthless Ray is in charge.

We used the new Simplified Scoring Program on both Saturday and Sunday and it looks like all the bugs have been fixed. This will speed up the scoring. We now need to get more people trained on how to use it and it seems pretty simple to use if you know how to use a tablet
