Fort Miller 21' A Huge Success!

Well, The Fort Miller Annual and Johnson Family Reunion has come and gone, and boy was it a great one! It may have been a little smaller than we're used to, but it did not lack for fun and excitement at all. Snakebite, your match directing skills are unparalleled (that means his skills are real good for you slower Johnsons...). Shooting through hanging laundry, door windows, drawing cards, and of course the ore cart and flying buffalo. You provided a very challenging (only one clean shooter!) and fun time. Thank you thank you thank you! And High Cotton, we owe you for putting it all together as match coordinator. The whole event was a great one!

Top Hand Award

This year's Top Hand award was presented to our very own Dusty Devil Dale. We have all seen how much work he has put into our bays and range – seems like every month he has added something new! Thanks Dusty and congrats on this well-deserved award!

A Very Special Presentation

An understandably emotional and very proud Snakebite awarded Fannie Oakley this year's annual Founders Award. This special award honors all of Fannie's work over the years, both out front and behind the scenes. Congratulations Fannie Oakley and thank you for all that you have done for the KRR!

HEARD ROUND' THE CAMPFIRE:

Match Director Snakebite mentioned that he didn't do so well at the match. He said, "I tripped on my Johnson..." Ouch!

And speaking of Fong Shins, I heard that one of the black powder shooters lit the laundry on fire! Apparently Sinful had to "bless" the holy clothes with a bottle of water to put out the fire!!
