THE SHOOTOUT IS UPON US WE'RE FULL

The Shootout at Fort Miller 2007 is right around the corner and the match is shaping up to be the best yet. As of Monday, March 19th, the match is sold out.

If you are a club member, and have not signed up for the match, don't worry we'll fit you in.

We're going to need some help before, during and after

the match to make this run smoothly. We're asking for volunteers for set up, tear down and bay maintenance during the match. We'll need four crews of three to handle three stages each.

Crusty Jim and **Pocket Change** are in charge of getting the potluck area set up and will need help mov-

ing the tables and chairs from the lunch area to the potluck area.

We'll need folks to help the campers move in and set up, handle the trash pickup at the campground and run it to the dumpster.

Let us know what you can do to help.

AS THE ROOSTER CROWS SLICK ROCK ROOSTER

Happy St. Patrick's Day to all. It was another great day and another fun match written by **Mariposa Slim**. The beautiful day had a stellar turn out of 54 shooters. Posse leaders were **Ramrod**, **Snakebite**, **Mariposa Slim** and **Slick Rock Rooster**. Two shooters completed the course of

fire without any misses or procedural - **Sierra Rider** and **Ruthless Ray**; congratulations to both for shooting a clean match.

Mariposa had some of us confused with his **Mariposa Sweep**, but most shooters were able to figure out the reverse IRS sweep.

Next month is Fort Miller.

I understand that the field is almost full, and this promises to be one of our best annual's in recent years.

Manny's Granny gets salutes from all for nailing the Rattlesnake at the work party on Saturday.

REGULATORS ROUNDUP

March Work Party

Thanks to all the cowboys who made the March work party. A lot was accomplished on the bays as well as in the corral. The following cowboys and cowgirls are making a difference at our club:

Sierra Rider, Smokum Joe, Papa Willie, Porch Dog,, Geo Kid, Fargo, Crusty Jim, Hawkeye O'Riley, Mari-posa Slim, Slickrock Rooster, Fannie Mostly, Sawdust Kid, Nine Lives, Ruthless Ray, Chucky Mae, Tracker, Talon Hawke, Coal Train and Ramrod.

Special thanks go to our tractor driver and rock finder **Snakebite**.

And our Snake Charmer award goes to **Manny's Granny**. While moving the rocks at the base of the poles for the rail fence by Bay 2, Manny's Granny found a baby rattler. Yep, it won't bother anyone any more. Good job **Granny**.

So give these Cowboy's and Cowgirls a great big Thanks when you see them at the annual.

RAMROD'S MUSINGS

From the Pokey

It's Fort Miller time. This is the time to make our club shine for the rest of the nation. What we do here will be talked about at clubs all around the world. If there is a question about how a stage is to be shot, ask **Fannie** or myself. If there is a rules question ask **Snakebite** or me. If there is a question regarding KRR, ask one of the Town Council. Remember, the Kings River Regulators are on stage and we want the rest of SASS to know we do it best all the time. See you on the range...

From the range...

Did you all get a chance to look at the War Wagon Sunday? Some of us old shooters wanted to make match setup and take down easier. Go figure. The club purchased a 16 foot flatbed trailer and had racks built to hold all the targets we'll need for a full match, including the shot-gun poppers. During the Saturday work party, the corral was stripped and the War Wagon loaded. Then the corral was put back into order and now there's room to have a barn dance!

Cowboy Logic

Since the annual is sold out, that means there will a few more campers than normal. When you set up your camping spot, please try to get cozy with your neighbor and resist the need to circle the wagons.

Space will be at a premium so whatever we can do to fit the folks into the camping area, let's do it.

As usual, the shooters who aren't camping will be parking up by the FRPC range house.

FANNIE'S SHARPSHOOTIN' AWARD

This month's Sharpshootin' award recognizes the shooter who is not first, not last, not the fastest, not the one with the deadeye, but the one in the middle of the pack. Out of 54 shooters this shooter was right in the middle. Ya'll say howdy to our pard **Leadfoot**. Not only was he middle of the pack overall, but middle of the pack in his category, Duelist.

That's why we call him...
"The Middle of the Pack"

AS THE ROOSTER CROWS (CONT. FROM PAGE 1)

a group to ride in the Raymond Parade on April 21st. Contact **John** if you are interested in having a fun time in Raymond.

Congratulations to all KRR shooters that made the trip to Winter Range in Phoenix. **Snakebite**, **Pocket Change** and **Sutter Lawman** came back with awards for shooting in the

Top Ten. The rest of the KRR members; **Gunsights**, **Talon Hawke**, **Tippecanoe Slew**, **Slick Rock Rooster**, **Crusty Jim**, **Sudden** and **Wobblin Bob** came back with lots of smiles for the great fun that was had shooting and participating with some other great pards.

See you at Ft. Miller,
SRR
